REVIVE YOURSELF AT OUR HAIR AND BEAUTY SALONS!

Revive Salon Peterborough, is located at our Park Crescent campus and offers an excellent range of hair, barbering and beauty treatments at very competitive prices. Staff, students and members of the public can relax in style in one of our many on-site salons which use the latest industry standard equipment.

All treatments at Revive are carried out by students from one of the hairdressing, barbering and beauty therapy courses, under the supervision of trained members of staff. Every customer they have helps them get the experience needed to complete their programme.

Revive Hairdressing and Barbering

The hairdressing department offers a range of services, including cutting/styling, perming, colouring/highlights and barbering for gents. Treatments for gents include hair cuts, beard trims, perming, colouring and wet shaves, all carried out in our dedicated barber shop.

Our hairdressers and barbers are competing on different levels and this is listed on our price list. Some services can have limited availability and are not available every day.

Revive Beauty

The beauty department offers a range of treatments including body massage, facials, waxing, manicure/pedicures, and much more! Beauty treatments are not available daily, please speak to our Receptionist who will provide you with more information.

With a range of treatments, designed for all and prices at a fraction of the cost of what you would pay on the high street, we hope you'll enjoy your experience at Revive.

Please be aware we are a training establishment.

ADVANCED BODY TREATMENTS

Price

Indian Head Massage (x2 Treatments) £16.00

Traditional Indian techniques are used in this massage of the head, face, scalp, shoulders and neck. Treatment can be performed over your clothes, without oils or with speciality oils. Deeply relaxing, this massage has been known to improve many stress related conditions. Ideal for people less mobile as it is done in a chair. Book a single treatment for £10.00.

Swedish Body Massage £16.00

A traditional treatment for maintenance of the body and wellbeing. Improves circulation, treats muscle tension and stiffness, and aids relaxation. You have the option of oil, cream or talc, and treatment additions include infrared heat treatment therapy or G5 Mechanical Massage.

Swedish Back, Neck & Shoulder Massage £8.00

Focusing only on the back, neck and shoulders this treatment eases tension carried in these areas which can cause pain and stiffness. Please check with Reception for availability.

Stone Therapy massage £19.00

Using hot basalt volcanic stones and cold marble instead of hands creates a deeply relaxing experience equal to several massages. The nervous system and energy centres are balanced and soothed. Muscle tension is eased due to the temperatures involved.

Advanced Back Facial £8.00

Back treatments can be beneficial in cleansing those tough to reach areas, targeting a variety of skin care needs such as clogged pores and dehydrated skin. This treatment uses traditional techniques and incorporates deep cleansing, exfoliant, a 20 min back massage, electrotherapy (direct high frequency machine) and a mask.

Body Toning Treatment £10.00

Electrical muscle stimulation to target muscles of concern. Faradic pads are placed on the muscle groups (please note we are only able to offer part treatment front or back layout) for best results we would recommend alternating the treatment layouts.

Combat Cellulite Treatment £10.00

Using the galvanic pads method this is applied to the requested areas of concern. Normally the front top of legs or the back of legs/buttocks We treat one area at a time, for best results we would recommend alternating the treatment layouts. The treatment is used to target the dimpled cells on the cellulite areas. These treatments include the mechanical massage to increase the circulation in the targeted area.

Vacuum Suction Body Treatment £15.00

A relaxing full body treatment, using a suction cup method, promote lymphatic drainage, boosting the lymphatic system, linking in some manual massage strokes.

Mystery Treatment (Face / Body / Electrical) £10.00

Available in April, May and June. Indulge in a mystery advanced facial or body treatment which will be confirmed on the day based on student assessment requirement.

G5 Massage £10.00

A deep mechanical massage using a handheld device that applies motions to the body. It helps relieve muscle tension, improve circulation, and can be used for cellulite reduction and lymphatic drainage by using various attachments.

REVIVE CONDITIONING TREATMENTS

Revive offer a range of intensive conditioning treatments which have great benefits for the hair.
