

Uniform and Equipment requirements 26/27

To ensure students receive timely funding and to avoid administrative delays, all curriculum areas are required to complete the form below for the new academic year.

To maintain budgetary compliance, please adhere to the following strict criteria when submitting your data:

1. Mandatory Trips Only

Financial support is strictly reserved for mandatory trips. A trip is defined as mandatory only if a student's absence results in a failure to meet the course requirements. Optional or enrichment-based trips will not be funded.

If specific trip details are not finalized at this stage, you must adhere to the following mid-year notification procedure:

- Email information.pbo@ieg.ac.uk immediately upon confirmation.
- You must include the location, date, applicable course codes, and the total cost.

2. Equipment & Resources

The "Equipment" category must include all mandatory course textbooks required for completion of the qualification.

Action Required: Please ensure this form is completed accurately to prevent funding discrepancies for your students. **Deadline to return form: 20th of April.**
